

## End-of-Sale Notice

### Products affected : Cable gland "CAPCON" Closed end type & rubber bushing

Dear Customer

This is to inform you of the end-of-sale of our cable gland "CAPCON" Closed end type and its optional rubber bushing.

Aging production facilities made us unable to continue stable production but alternative products will be released. The combination of CAPCON and newly released rubber bushing can be used for wide range of purpose.

Your understanding and continued business are highly appreciated.
