

Product launch announcement

Option item for oil mist collector “MISTCATCH” - Auto-cleaning Unit large flow type

Dear Customer

We would like to inform you of an upcoming launch of the renewed “Auto-cleaning unit” for our oil mist collector “MISTCATCH” OMC-N2 series.

This new version has been developed responding to many customers’ demands for longer service interval and wide range of supply voltages.

The existing model will be discontinued as of September 30, 2022.

We look forward to your continued business in the future.
