

Specification Change Notice

Products affected: Cable Holder “CC Holder” for robots

Dear Customer

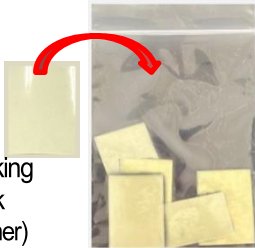

We would like to inform you of an upcoming change to the above products, which includes the change of material of the non-slip packing and the way of supplying it. The non-slip packing will not be pre-assembled to the product but will be supplied as an accessory.

Such change will give freedom of choice on use of the non-slip packing to the customers depending on each application.

Your continued business would be highly appreciated.
